The organising authority for all events except the WSSYSA Regatta and the Topper Open Training will be Chichester Yacht Club.

The organising authority for the WSSYSA Regatta will be the WSSYSA and the organising authority for the Topper Open Training will be the Topper Class Association.

For each event organised by Chichester Yacht Club a formal Notice of Race will be published at least eight weeks and hopefully a lot earlier, before the event, along with Sailing Instructions and Entry Forms when they are available.
