[+ Add More Photos](#)

To add photos to an album, click on the album you wish to add to. Once the album is open, click on the 'Add More Photos' tool.

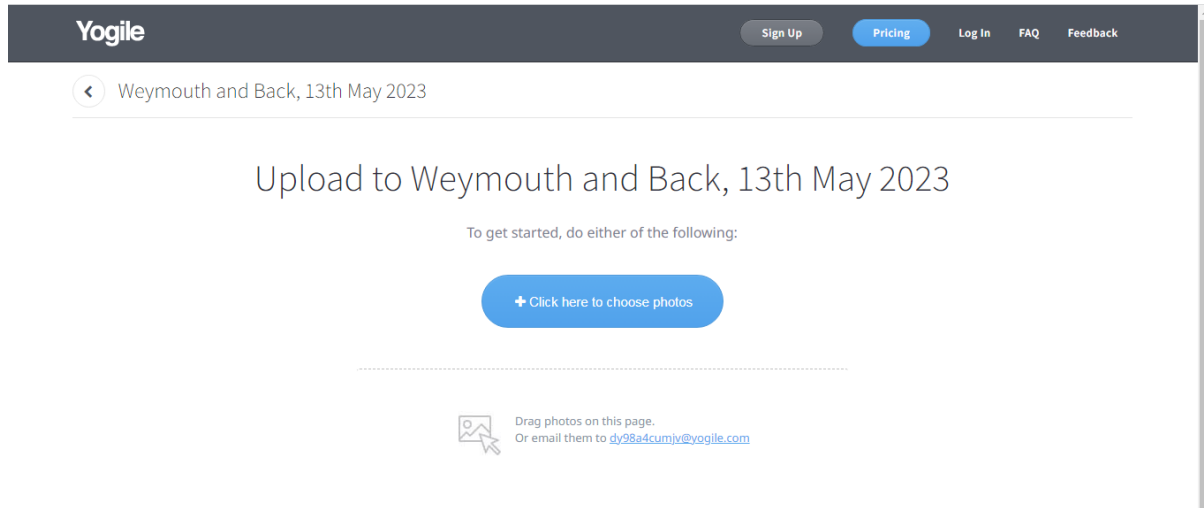

The screenshot shows a mobile application interface for creating an account. At the top right, there is a 'Sign Up' button. Below it, a white modal box with a close button (an 'x' in a circle) in the top right corner contains the following text: 'Create an account to bookmark this album in your account for easy access. It also helps others identify your photos.' The form has three input fields: 'Your Display Name' with the text 'yachts@cyc.co.uk', 'Your E-mail' which is empty, and 'Your Password' which is filled with ten dots. Below the fields is a blue button with a checkmark icon and the text 'Create Account'. At the bottom of the form, there is a link: 'Already got an account? Log in here'. Below the link, it says 'By signing up you agree with our [Privacy Policy](#) and Terms of Use'.

A window will pop up asking if you wish to create an account. It's a quick and easy to do this and it means that other members can see that you took the pictures.

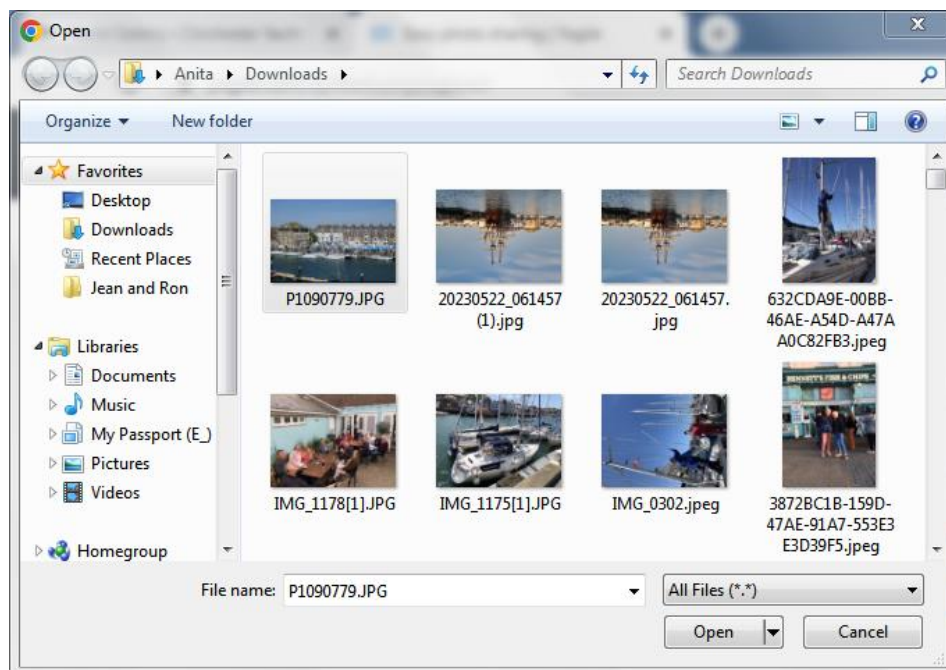

If you don't want to create an account, click the x in the top right corner to close the box.

You can now upload your photos following the instructions on the screen, as shown in the series of screenshots below. If you aren't confident doing this, then there is the option of emailing your pictures to the album via the email address given on the screen (remember the email address will be different for each album).

The screenshot shows the Yogile website interface. At the top, there is a navigation bar with the Yogile logo on the left and links for 'Sign Up', 'Pricing', 'Log In', 'FAQ', and 'Feedback' on the right. Below the navigation bar, the page title is 'Weymouth and Back, 13th May 2023'. The main heading is 'Upload to Weymouth and Back, 13th May 2023'. Below the heading, there is a sub-heading 'To get started, do either of the following:' followed by a blue button that says '+ Click here to choose photos'. Below the button, there is a dotted line and a small icon of a hand dragging a photo, with the text 'Drag photos on this page. Or email them to dy98a4cumjv@yogile.com'.

Click on 'Click Here to Choose Photos' and a new window will pop up allowing you to select your photos file.

Select the photos file then select the photos you want to upload and click 'open'.

The screenshot shows the Yogile interface for uploading photos to an album. At the top, the 'Yogile' logo is on the left, and navigation links for 'Sign Up', 'Pricing', 'Log In', 'FAQ', and 'Feedback' are on the right. Below the header, a breadcrumb trail shows a back arrow and the album name 'Weymouth and Back, 13th May 2023'. The main heading is 'Upload to Weymouth and Back, 13th May 2023'. Below this, a message says 'Start uploading by pressing the start button.' There are two buttons: a blue '+ Add More Photos' button and a green 'Start Uploading' button. Below the buttons is a table showing the upload progress:

1 file	Total: 9.9 MB
P1090779.JPG	9.9 MB

Once the file names of the photos appear on the page, click 'Start Uploading' to finish uploading your photos.

When the upload is complete, the photos won't appear in the album straight away, as they need to be reviewed by the administrator.
